

LSL Report for Livery Companies August 2019

1. Introduction

We are sending this report to give an update on the activities of LSL in recent months. Please could it be passed on to the relevant people in your Company.

2. AGM

You should all have received the official notice about the AGM of LSL. The AGM will be held on Tuesday September 10 at 3pm in the City Centre in Basinghall Street. As well as the formal agenda we plan to have a number of presentations about the different aspects of LSL's work. The meeting will end by 5.00pm. Please send someone from your Company to hear more and discuss about what we are doing. We welcome representatives from Companies who are LSL members and also observers from Companies who are not members but might be interested to know more about LSL. I should also point out that the new proposed director from the Barbers' Company is Paul Cole not Peter Cole.

3. Volunteers

We are in need of more people to work with us to help to organise our events. There are opportunities for various type of help which may take only a few hours but can involve more hours as someone gets more involved. Please ask anyone in your Company, who might be interested, to let me know.

4. Livery in Education brochure

You should all have received a copy of the Livery in Education by post at the end of July. We can also make it available in electronic form if this would be helpful. We will have extra hard copies available at the AGM. I would again like to thank you all for helping to make the document as up to date as possible.

5. Livery Showcase

It is likely that the Showcase will again be held over two days in June 2020 as part of the London Careers Festival. One day will be for Primary pupils in Years 5 and 6 and one day for Secondary pupils in Years 8 and 9. We will send further details as soon as this is settled.

6. Volunteer Platform

Please do encourage your volunteers to offer to meet school requests for talks when new opportunities come in in the new school year. This service is appreciated by the schools.
